## AWARD

By Government of India, Ministry of Labour and Employment, order No. 2/177/59-LRII dated 23rd May 1961, the industrial dispute existing between the employers in relation to the Ena Colliery and their workmen in respect of the following matter was referred for adjudication to the Industrial Tribunal, Dhanbad:—

"Whether the management of Ena Colliery was justified in placing Shri Sudhir Kumar Sinha, a clerk in the store section of the Colliery, in clerical grade II under the Award of the All India Industrial Tribunal (Colliery Disputes) as modified by the decision of the Labour Appellate Tribunal and if not, to what relief is he entitled?"

By subsequent order No. 4/90/61-LRII dated 13th December 1961 the proceedings in relation to the above dispute were withdrawn from the Dhanbad Tribunal and transferred to this Tribunal for disposal according to law.

2. The parties had filed their written statements before the Dhanbad Tribunal and the matter was, therefore, fixed for hearing before this Tribunal. The matter related to a clerk named Shri Sudhir Kumar Sinha. He was placed by the management in clerical grade II under the Award of the All India Industrial Tribunal (Colliery Disputes) as modified by the decision of the Labour Appellate Tribunal and the workman contended that he should have been placed in Grade I.

3. When the matter came up for hearing before me to-day, the parties filed a memorandum of settlement, a copy of which is attached herewith and marked annexure 'A'. Under the terms of settlement, the clerk concerned is to be placed in clerical Grade I with effect from to-day (15th February 1962) and is to get a basic pay of Rs. 93/- per month in that grade and would be entitled to his annual increment from 1st June 1962 and thereafter the annual increment will fall due on the 1st June. In my opinion, the compromise is fair and reasonable.

4. I therefore accept it and pass an award in terms thereof.

The 15th February, 1962.

L. P. DAVE,  
Presiding Officer.

Shri Chandrama Singh (Present)

STATE: Bihar.

INDUSTRY: Coal Mines.

**AWARD**

By Government of India, Ministry of Labour and Employment, order No. 2/21/61-LRII dated 23rd May 1961, the industrial dispute existing between the employers in relation to the Chhota Bowa Colliery and their workmen in respect of the question whether the dismissal of Shri Chandrama Singh, underground Munshi is justified and if not, to what relief he was entitled was referred for adjudication to the Industrial Tribunal, Dhanbad. By subsequent order No. 4/90/61-LRII dated 13th December 1961, the proceedings in relation to the above dispute were withdrawn from the Dhanbad Tribunal and transferred to this Tribunal for disposal according to law.

2. In response to notices issued by the Dhanbad Tribunal, the parties had filed their written statements before it. It appears that a workman named Sri Chandrama Singh was working as an underground Munshi. The management alleged that he had abused the Manager and further that he was not literate and not fit to work as a Munshi. A charge-sheet was served on him and after enquiry he was dismissed by the Management. The workmen denied these allegations and contended that he was victimised because of his Trade Union activities.

3. When the matter came up for hearing before me to-day, there was some discussion between the parties and after some negotiations they arrived at a settlement and produced a memorandum thereof before me, a copy of which is attached herewith and marked Appendix 'A'. Under the terms of the settlement, the workmen do not press for the reinstatement of Shri Chandrama Singh; on the other hand, the employers agree to pay him a sum of Rs. 1400/- only on 17th February 1962. The workman had put in a service of about nine years and if he had been retrenched, the retrenchment compensation that he would have got would have been much less than the above amount. I understand, however, that the parties have taken into account the period from the date of the workman's dismissal till to-day and have arrived at the above figure on that basis. In my opinion, the compromise is fair and reasonable.

4. I, therefore, accept it and pass an award in terms thereof.

The 15th February, 1962.

L. P. DAVE,  
Presiding Officer.

*New Delhi, the 23rd February 1962*

S.O. 665.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Labour Court, Ahmedabad, in the matter of an application under section 33A of the said Act from Shri Anant Narayan Ayre, an employee of the Devkaran Nanjee Banking Company Limited.

Exhibit No. 5

BEFORE SHRI D. M. VIN,

THE PRESIDING OFFICER, LABOUR COURT (CENTRAL), AHMEDABAD.

COMPLAINT NO. 245 OF 1961

IN

REFERENCE NO. 1 OF 1960

Shri Anant Narayan Ayre, Western Railway Chawl No. 7, Room No. B-1, Lower Parel, Bombay.—*Complainant.*

*Versus*

M/s. Devkaran Nanjee Banking Co. Ltd., Elphinstone Circle, Fort, Bombay-1.—*Respondent.*

SUBJECT.—*A Complaint under Section 33-A of the Industrial Disputes Act, 1947.*

APPEARANCES.—*None for the Complainant. Shri R. M. Mahajan for the Respondent.*

#### AWARD

This is a complaint made under section 33-A of the Industrial Disputes Act, 1947, to the National Industrial Tribunal (Bank Disputes) by one Shri A. N. Ayre. It was transferred to this Court under Section 33B(2) of the said Act by the order dated 11th October, 1961.

(2) The Complainant's case was that he was employed in the opponent Bank and that he was forced to give a resignation and was orally dismissed. He also alleged that at that time a dispute between the opponent Bank and its workmen was pending before the National Industrial Tribunal (Bank Disputes). He contended that it was absolutely necessary for the opponent bank to obtain a prior permission in writing, or an approval for taking the action against him, but that was not done. So according to him, the opponent Bank had contravened the provisions of Section 33 of the Industrial Disputes Act, 1947, and hence necessary action should be taken.

(3) A notice to file written statement was served on the opponent Bank. It however sent a letter dated 6th November, 1961, stating that the Complainant has made an application to this Court for unconditionally withdrawing his complaint and it also sent the withdrawal purshis signed by the Complainant. A letter was then written to the complainant to confirm the withdrawal purshis or to have his say on it. The complainant, however, did not send any reply. So this case was fixed for hearing at Bombay on 2nd February, 1962. At the time of hearing, the opponent Bank appeared and stated that the complainant is in its service and has desired to withdraw this complaint. The complainant was not present at the time of hearing. No representative on his behalf was also present. It seems that the dispute between the parties must have been amicably settled by them and so the complainant is not vigilant about his case. Even after signing the purshis he has

not taken any case to confirm it. So this complaint must be dismissed for the complainant's default. I direct accordingly. There would be no orders as to costs.

(4) It is directed that this award be submitted to the Central Government.

AHMEDABAD,  
The 16th February, 1962.

S.O. 666.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Arbitrator in the industrial dispute between the Bombay Port Trust and their workmen.

## ARBITRATION

### BETWEEN

The Trustees of the Port of Bombay

### AND

Their Workmen Represented by

The Bombay Port Trust General Workers' Union

### PRESENT

Shri F. Jeejeebhoy—Sole Arbitrator

### APPEARANCES:—

Shri S. D. Nariman—Legal Adviser, Bombay Port Trust

Shri S. Maitra—General Secretary, B.P.T. General Workers' Union.

### AWARD

This Award is a continuation of the Award which I made on 11th April 1960, and which was duly published in the Gazette of India dated 30th April 1960, Page 1369.

Issue No. 9(38) reads as follows:—

"The Signalling Staff of the Vessel be redesignated as "Radio Officers" as is in existence at Calcutta Port and be given similar scales of pay and suitable uniforms."

In my Award of 11th April 1960 I dealt with this issue in the following terms:—

"It is agreed that this issue should stand over until the Report of the Committee for Classification and Categorisation of Employees of Major Ports is issued. If this subject is covered by that Report then nothing further need be done in or about this issue in this arbitration. If however the issue remains undisposed of then a further hearing on this issue may take place."

The Report of the Committee for Classification and Categorisation of the Employees of the Major Ports has already issued, and the pay of the Signalling Staff has been fixed according to the duties and responsibilities of the posts at Bombay and Calcutta. The respective cases of such staff, both at Bombay and at Calcutta were duly considered, and their respective pay has been fixed accordingly. Thus, the subject of the issue has been covered by the Report, and there is nothing further to be done in or about this issue in this arbitration, except for the claim for uniforms.

As regards such uniforms, the Chairman of the Bombay Port Trust has already sanctioned, on 30th April 1961, a revised scale of uniforms for this Signalling Staff of the "KENNARY". It is a fair scale, and I am satisfied that the administration is endeavouring to give proper effect to the sanction. From what I can gather the employees here concerned look upon their uniforms from the point of view of status symbol; I was told at the hearing that this aspect is being borne in mind by the administration when deciding upon suitable badges and epaulettes, but it has also been pointed out by the administration that gold stripes would not be right. I hold that the steps now being taken by the administration to work out the details regarding uniforms are in the right direction, and do not call for any special direction from me.

Save for the question of uniforms, the rest of this issue is answered in the negative.

NOW THEREFORE I MAKE THIS AWARD AS AFORESAID THIS 16 DAY OF FEBRUARY 1962.

Arbitrator
